Credit Rating Agencies

"The downgrade of SONDA S.A.'s (SONDA) long-term national ratings to 'A+(cl)' from 'AA-(cl)' reflects increased pressure on profitability(...) **The Stable Outlook reflects the company's gradual increase in revenue levels, stabilization of its EBITDA margin, and maintenance of positive free cash flow (FCF) given contract restructuring, an increase in contract closures, and a conservative investment level.**" **Fitch Ratings**

"The company's regional scope of operations, with high levels of diversification in terms of its presence in Latin American economies, is a positive factor in its ranking. (...) **The 2025-2027 strategic plan has involved a greater commercial effort in its initial stages, negatively impacting margins, but with a recovery strategy based on a higher volume of contracts.**" **ICR Chile**
