Credit Rating Agencies

"Sonda S.A.'s (SONDA) ratings are based on its leadership in the Latin American information technology (IT) services industry, its diversification of services, clients, and markets, as well as its brand recognition and recurring revenue from long-term contracts that provide cash flow stability and allow it to maintain solid financial flexibility." **Fitch Ratings**

"The company's regional scope of operations, with high levels of diversification in terms of its presence in Latin American economies, is a positive factor in its ranking. (...) **The 2025-2027 strategic plan has involved a greater commercial effort in its initial stages, negatively impacting margins, but with a recovery strategy based on a higher volume of contracts.**" **ICR Chile**
